

National Fraud Initiative (NFI) Data Matching Exercise

This information is intended to assist your understanding of the NFI Data Matching Exercise and what it means to you as an employee and / or resident of Halton Borough Council.

National Fraud Initiative Privacy Notice

Halton Borough Council is required by law to protect the public funds it administers. It may share information provided to it with other bodies responsible for; auditing, or administering public funds, or where undertaking a public function, in order to prevent and detect fraud.

The Cabinet Office is responsible for carrying out data matching exercises.

Data matching involves comparing computer records held by one body against other computer records held by the same or another body to see how far they match. This is usually personal information. Computerised data matching allows potentially fraudulent claims and payments to be identified. Where a match is found it may indicate that there is an inconsistency which requires further investigation. No assumption can be made as to whether there is fraud, error or other explanation until an investigation is carried out.

Halton Borough Council participates in the Cabinet Office's National Fraud Initiative: a data matching exercise to assist in the prevention and detection of fraud. The Council is required to provide particular sets of data to the Minister for the Cabinet Office for matching for each exercise, as detailed [here](#).

The use of data by the Cabinet Office in a data matching exercise is carried out with statutory authority under Part 6 of the Local Audit and Accountability Act 2014. It does not require the consent of the individuals concerned under data protection legislation.

Data matching by the Cabinet Office is subject to a [Code of Practice](#).

View further information on the [Cabinet Office's legal powers and the reasons why it matches particular information](#).
