

APPLICATION FOR DISABLED PERSONS PARKING SPACE

Halton Borough Council receives a lot of enquiries from disabled drivers with no off-street parking available who have problems parking their car adjacent to their property.

The best way to help prevent this problem is to apply for a Disabled Persons Parking Space road marking. It is an advisory road marking and has no legal backing but it draws attention to the fact that a disabled person, with restricted mobility, resides at the adjacent property.

Having a Disabled Persons Parking Space on the road outside your house will not guarantee that the space is kept clear at all times, but where these markings have been used in other areas of the Borough, they have been successful in helping disabled drivers park as close as possible to their property.

To qualify for a Disabled Persons Parking Space you must be in receipt of the higher rate of mobility allowance and have a vehicle registered at the address. There must also be no possibility of off-street parking being provided at your property. With this in mind, photocopies of your Blue Badge, Mobility entitlement and V5c Registration Document must be provided. On receipt of this form, an Engineer will make a site inspection to investigate the feasibility of providing such a road marking.

It normally takes around twelve weeks from when you send the application form back before the marking is provided.
